

Minors Weekly Spread
Created by MJ Dellucci

Continuing on with our work this week, I have devised a spread that should give us guidance for the week ahead. The spread is simple, fourteen cards - two for each day. One underlying card which is the issue card, and one that is the assistance card, or the card that will help you with your issue card.

Start with Sunday and work through to Saturday.

The Issue (on the bottom sideways)

The Assistance Card
