

NEW YEAR SPREAD

- 1) Pick 4 cards to represent the categories you'd like to know about in the following year. (Categories could be Love/Work/Artistic Endeavors /Spirituality /Finances /Travel, or anything else you like. Love as a category might be represented by The Lovers or The Ace of Cups, etc.)
- 2) Pull the chosen "Category Cards" from your deck and line them across the top of your space.
- 3) Shuffle the deck, and under each category lay 4 cards, in a vertical line going down. These represent how each aspect will play out during the 4 seasons of the upcoming year.
